## PETITION OF OPPOSITION

We **OPPOSE** the plans of Polytechnic School in Pasadena to build a sports complex on Chaney Trail in the northern Altadena foothills. The proposed development site is adjacent to the Angeles National Forest/San Gabriel Mountains National Monument and located within a State-designated Very High Fire Hazard Severity Zone. The plans to build new athletic facilities and the many hundreds of additional visitors crowding an already narrow and hilly access road will dramatically increase the risks to public safety. If approved, the sports complex will fundamentally change the semi-rural characteristics of the surrounding neighborhood, with impacts propagating throughout the Altadena foothills and the Angeles National Forest/San Gabriel Mountains National Monument.

*[Must be Los Angeles County resident, at least 14 years of age.]*
